

The following has been released in relation to two requests for information relating to unsolicited bids received by the Office of the Coordinator-General, particularly with regard to the framework for assessment, and the status of all unsolicited bids.

- The *Unsolicited Proposals Policy and Guidelines*, containing considerable information on the assessment process, became effective on 1 January 2015. These are available from the Tasmanian Government website at:
<http://www.purchasing.tas.gov.au/buyingforgovernment/publications.jsp>.
- Five proposals have been received by the Office of the Coordinator-General since the Policy's adoption.
- None of these proposals has progressed into the Preliminary Assessment Phase.
